

OFFICIAL RECORD

Fellow Olympian:

Enclosed is a complete listing of entrants and scores for the 1st Annual California Police Olympics. I must apologize for the delay in getting this information to you, but workloads have been extremely heavy, and we were unable to complete this sooner.

We were extremely happy with the success of the First Police Olympics. The turnout was excellent, and the competition was of the highest caliber. My original belief that a program like this would be welcomed and supported by law enforcement personnel was substantiated, and I can only feel that future Police Olympic Games will have even greater success. My personal thanks to each of you.

A meeting is being planned to establish a rules committee to determine the future of the Olympics. This meeting is being held at the Los Angeles Police Department's Training Academy, 1880 No. Academy Drive, Los Angeles, at 9:30 AM, on December 9, 1967. Your department is invited to send representatives to this meeting.

A short questionnaire is enclosed. Your answers are designed to help plan for future Olympic Games. Please answer and return it to us in the enclosed self-addressed, stamped envelope as soon as possible.

Sincerely,

DUKE NYHUS
