CALIFORNIA POLICE ATHLETIC FEDERATION

What is the California Police Athletic Federation (CPAF)?

The California Police Athletic Federation is a non-profit corporation composed of eight members of the Board of Directors, representing all sections of the State of California. Bob is assigned to investigations with the San Jose Police Department and has medaled in bowling and swimming. It is anticipated that his addition to the CPAF Board of Directors will be very important to its continued success.

CPAF BOARD OF DIRECTORS

During the 1976 California Police Olympics held in San Jose, the Board of Directors of the CPAF became known to many for the first time. The Directors realized that as the Police Olympics continued to grow, more and more problems were developing during the games. Many of these problems required policy decisions to be made by this group rather than the host agency.

A Federation room was opened and manned by one or more of the Directors each day. Questions were answered, protests received and acted upon, and in general, the Board members tried to be of service to anyone who stopped by.

This year in Humboldt, a Federation room was again opened and, in addition to answering questions, receiving complaints and protests, we received the results directly from the event coordinators. The purpose of receiving results in this manner was to mail to those participants who had signed up to receive them and to publish a CPAF newsletter.

When was the Federation Founded?

The CPAF was founded in 1968, shortly after the first Police Olympics were held in San Diego. A meeting was held at the Los Angeles Police Academy and interested officers from throughout the State attended. Corporation papers were drawn up shortly after that meeting and a non-profit corporation was formed.

What is the Purpose of the CPAF?

The prime functions of the CPAF are to plan for and perpetuate the California Police Olympics, to encourage physical fitness, and to promote athletic competition among police officers throughout the State.

What Salary do the Directors Receive and Where Does the Money Come From?

CPAF Directors receive no remuneration of any kind. Their contribution to police athletics is all voluntary. Expenses incurred for the attendance at meetings and for CPAF business is reimbursed. This money comes from a portion of each entry fee that is paid to the Federation by the organization hosting each year's Olympics.

How Often are Meetings of the CPAF Held?

There are currently three regular meetings held annually with special meetings called when necessary. One meeting is held at the site of the next year's Police Olympics; this meeting is held to completely critique the past year's games and to give the next host agency some insight into the problems that can be expected. Also, at this meeting, the Police Olympics' site for the second year following is selected. Any organization interested submits a bid, and the Board of Directors votes on the final selection. The second meeting is held in May or June, just prior to the Police Olympics for the purpose of assisting the host agency with problems they may have encountered, viewing sites to determine their adequacy and, in general, satisfying the

Board of Directors that the Police Olympics can be held successfully. A third regular meeting is held on the day prior to the Police Olympics to resolve any matters pending that require CPAF action.

What is the Authority of the CPAF?

The CPAF has final authority in any matter concerning the California Police Olympics. All procedures, rules, and regulations are established by the CPAF. Even though events may be governed by such organizations such as the AAU, NRA, CCA, these rules may be altered or revised in some manner by the CPAF. The only purpose for such a revision would be to adjust to the needs of police officers and would be made with the best interest of the Police Olympics in mind.

How is it Possible to Organize and Coordinate a Program the Size of the Police Olympics Without a Paid Staff?

Only so long as the Directors of the Board of the CPAF have the best interests of athletics and police athletes in mind and are willing to devote the time and energy necessary to do the job, will the volunteer organization continue to be successful. Police athletes contribute to this success by providing the funds for the CPAF to operate. A portion of these funds also go to pay entry fees and provide a team jacket for the California team going to the National or International Police Olympics.

What Can I Do If I Want to Learn More About the CPAF or Have Other Questions Concerning the Police Olympics?

Contact any member of the Board of Directors in your area.

1979 promises to be the greatest year for the California Police Olympics, because the Police Olympic Committee of the Deputy Sheriff's Association of Alameda County has been hard at work for over a year in planning to make the 13th annual California Police Olympics the finest ever.

We've selected some of the best facilities available, with approximately 75 percent of the events within a 6 mile radius of our headquarters, the International Oakland Airport Hilton Inn. Three other hotels have been selected all within a mile of the headquarters.

The Oakland Chamber of Commerce will handle the reservations for the hotels and a reservation form will be sent out shortly. Information on the olympics will be also out very shortly.

If any participant has any questions, please feel free to call us at our Olympic Committee number (415) 351-5666.
