### **BRACKETING**

A Round Robin (Group Play) shall be established. The teams that finish first or second in each group advance to a Single Elimination Finals Tournament. (Depending on the number of teams entered in this event, the Host, with the approval of the WPFGB, may change the number of teams that advance to the Finals Tournament).

If the total number of teams in a division is less than 8, a single group Round Robin tournament shall be used exclusively to determine medal winners. If Group Play is used exclusively to determine medals, the coin toss will not be used. Co-winners will be declared for teams still tied after the first 3 tie-breakers. (See “Scoring”.)

**DIVISIONAL PLAY:** The following rules govern the placement of teams in either Division I or Division II.

#### **DIVISION I:**

Combined teams from states/provinces or similar region within a country and shall compete in Division I.

Medal winners in Division I from the previous WPFGB.

Any team may elect to compete in Division I with WPFGB approval.

#### **DIVISION II:**

All other teams may compete in Division II.

Members of a combined team can be from Law Enforcement and/or Firefighter Services.

**WPFGB reserves the right to place a team in either Division I/Division II.**

### **SCHEDULING:**

Schedule for 6 days of competition.

**Duration of Game:** The game shall consist of two 45-minute halves, with a 10-minute break between the halves. (NOTE: Depending on the number of teams entered and the number of fields available, the host may request that the preliminary games be played with 35-minute halves.)

### SCORING:

The scoring for group play is: Win = 3 points, Tie = 1 point, Loss = 0 points.

The following procedure (in descending order) will be utilized to determine which two teams from each group advance to the Single Elimination Finals tournament.

- Total win/loss points accumulated in group play
- Team head to head games results
- Goal differential (for vs. against)
- Total goals for (maximum of 5 per game)
- Total goals against
- Coin toss

Ties: In the event of a tie in the Single Elimination Finals tournament, extra time will be played to determine the winner. Two further equal periods, each of 10 minutes duration, will be played.

In the case of a tie at the end of extra time the winner will be determined by Kicks from the Penalty Mark. Each team will take 5 penalty kicks in accordance with the laws of the game to determine the winner. (Only the players that are on the field at the conclusion of extra time are allowed to participate in penalty kicks.) If after both teams have taken five kicks, both have scored the same number of goals, kicks continue to be taken in the same order until one team has scored a goal more than the other from the same number of kicks. Each kick is taken by a different player and all eligible players must take a kick before any player can take a second kick.

If at the end of extra time one team has a greater number of players than their opponents, they must reduce their numbers to that of their opponents and the team captain must inform the referee of the name and number of each player to be excluded before the kicks from the penalty mark commence. The excluded player(s) must leave the field of play and return to the team bench area prior to the taking of kicks from the penalty mark.
