The **"All Events"** category award represents the best combined scores from the Individual events in 16-yard, 22-yard and Doubles. **To be eligible to enter "All Events", you must enter the Individual competition in 16-yard, 22-yard and Doubles in Trap.**

Awards in the 3 Individual events and "All Events" will be made in "A" and "B" divisions. Divisions are based on the competitors' classification. In the **Singles Events:** "A" Division is for those with a rating of 94.0 and above; "B" Division is for competitors with a rating of below 94.0. Handicap: "A" Division is for those with a rating of 90.0 and above; "B" Division is for competitors with a rating of below 90.0. In the **Doubles Events:** "A" Division is for those with a rating of 86.0 and above; "B" Division is for competitors with a rating of below 86.0.

**CLASSIFICATIONS:** Shooter classification will generally follow the ATA guidelines for determining classification, with the exception that the WSPFG only offers two categories for competition, A & B divisions. If a competitor has no ATA average card or WSPFG/WPFG classification, competitors will then be classified by performance on the 100 targets in each Individual event. This classification will be used for both the Individual and Team events. (The low and high scores will be disregarded and the remaining two scores doubled for competitor's classification.)

**HIGH OVERALL AWARD:** A special "High Overall Shotgun" medal will be awarded in both "A" and "B" Divisions for the best combined scores in the 6 Individual events in Skeet, Trap and Sporting Clays. Refer to the section on Sporting Clays for details.
