RIFLE – LARGE BORE

NOTE: Large Bore Rifle Records are categorized to reflect scores from either a MODIFIED or a NON-MODIFIED (National Match) Course of Fire. These records are for either yards or meters. Large Bore events prior to 1995 were not considered because of changes in the number of rounds shot and other factors. The sport was not offered in 2003. There are NO records kept in the Palma Match due to changes in Course of Fire over the years.
